HISTORY & VISION

GASFA is the state affiliate of NASFA, which is the National Association of State Facilities Administrators.

GASFA was founded in 1996 in order to give state facility managers and members of the construction and engineering industries an opportunity to better coordinate on the issues that matter most, and to give state facility managers a voice on the important laws and regulations that impact them.

PURPOSE

- GASFA is organized exclusively to provide and enhance leadership, education, and professionalism of Facility Managers employed in the State government of Georgia more specially to:
 - Develop, implement, and disseminate best management practices for State Facility Managers
 - Promote effective and efficient planning, development, operation and maintenance of State Georgia facilities
 - Foster the exchange of ideas and information among state of Georgia Facility Administrators, and Facility Administrators of the public and private sector; and
 - Provide and promote inter-governmental agency and public-private entity cooperation on issues of interest and benefit to Facility Administrators

HOW DO WE ACCOMPLISH THIS?

- 2 ANNUAL CONFERENCES (SPRING AND FALL)
- SPRING CONFERENCE WILL BE APRIL 24, 2024

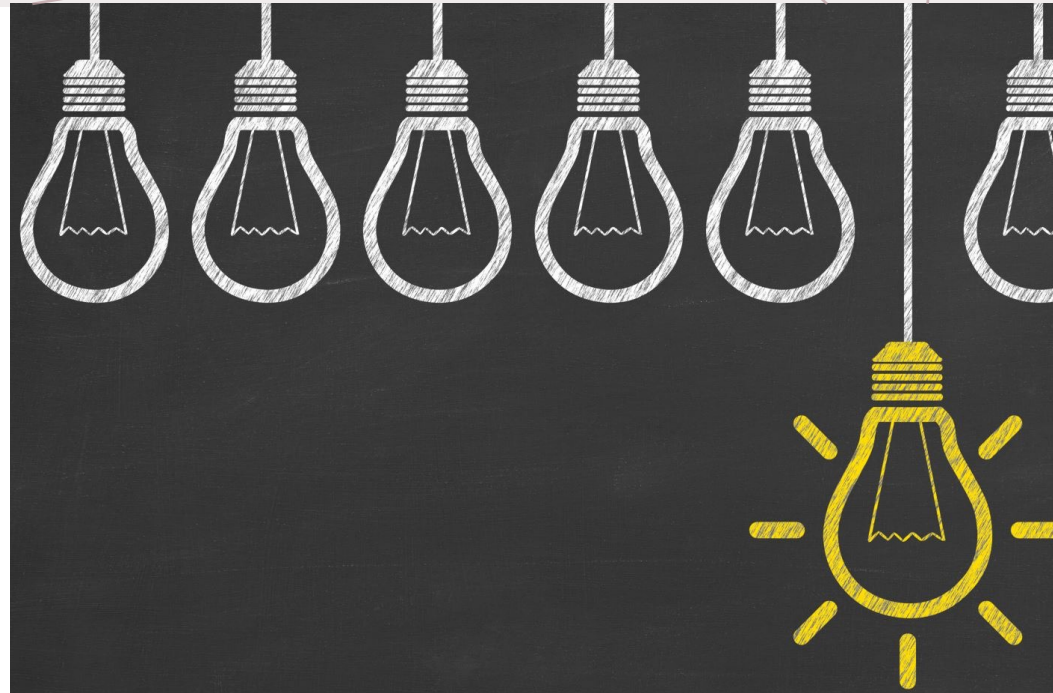

- **REGISTRATION CLOSES THURSDAY APRIL 10TH!**
